

ABOUT US

Established in the year 2016, we, "Maheshwari Technology", are engaged in manufacturing, supplying and exporting a wide range of Dairy, Food, Pharmaceutical, Cosmetics, Beverages & Brewery components. Welcome to a forward thinking customer driven company supplying the complete range of hygienic design products.

We always strive for excellence in service and quality. We serve a wide range of industries including food & pharmaceutical, water treatment and brewing. Our customers receiving the highest care and attention from our dedicated sales staff.

Hygienic valves and fittings are commonly used in food, brewery, dairy and pharmaceutical industries. They are robust fittings, ideal for pipe work which has to be dismantled for cleaning and sterilizing. Our extensive range includes RJT, IDF, DIN and SMS fittings as well as comprehensive range of clamp fittings. We can also supply custom fabricated hygienic fittings to your specification.
